Speaking Engagements · Healing Sessions · Group Experiences

Loretta Dupree does not speak from theory. She speaks from survival. Every word she brings to a stage, a sanctuary, or a circle of women has been lived, tested, and redeemed by the grace of God. When you invite Loretta into your space, you are not booking a speaker. You are opening a door for transformation.

“For God has not given us a spirit of fear, but of power, love, and a sound mind.” — 2 Timothy 1:7

What Loretta Brings to Your Space

Speaking Engagements

Loretta is available for women’s conferences, church services, ministry events, and community gatherings. Her messages are rooted in scripture, drawn from lived experience, and delivered with the kind of honesty that opens hearts. She speaks on fear, faith, healing, forgiveness, identity in Christ, and walking boldly in purpose.

Intimate Healing Sessions

Private and small group sessions designed for women who are ready to move beyond surviving. Spirit-filled, safe spaces anchored in biblical truth. Women come carrying what they have never said out loud. They leave lighter. These sessions are for the woman who needs more than a message — she needs a moment with God.

From Fear to Freedom Experience

A guided small group journey through the themes of Loretta’s books. Designed as a multi-session series, this experience walks women through the same path Loretta has walked — from the grip of fear into the fullness of faith. Women come held by fear. They leave with the tools, the community, and the faith to walk free.

I.N. Zone Outreach Ministries

Founded by Loretta, I.N. Zone exists to reach women where they are — in the dark, in the silence, in the places fear has kept them. Loretta is available to partner with outreach programs, shelters, and community organizations to bring healing where it is most needed.
